A soupçon of nostalgia, a dose of zany combined with a tall blonde and a short redhead add up to entertainment magic. Lisa Jaye, with 6 CD's to her credit, is a 2008 New Mexico music award-winner singer/songwriter/producer who frequents the rock and roll stages. Alaina Zee leaps off the Broadway stage with 3 original musical hits. She's a singing/comedy treasure. "No note too high, no audience too small" is her motto.
